- These numbers are utilized in making the distribution of Perkins funds between the Area Technology Centers and the school districts

Perkins Performance Measures

- Measure # 1 is found on the CTE District Profile – Academic and Technical Skills
- Measure # 2, 3, 4 and 5 are determined from data in TEDS

Perkins Performance Measure # 2

Graduation Rate

- Graduation Rate is determined in TEDS as follow-up data is entered on completers and high school graduates
- Compare your CTE graduation rate to the school graduation rate which comes from the KCCT in the nonacademic data report

Perkins Performance Measure #3

Transition

- Transition status of completers must be entered into TEDS
- Annual Senior Transition Survey is used to collect follow-up data on CTE completers and high school graduates

Perkins Performance Measure # 3 (continued)

- Data is being collected now by the guidance counselors in high schools
- Guidance counselors must submit data to KDE by November 1st
- Work with the guidance office to facilitate follow-up data
- Make sure the data is complete and accurate when entering follow-up data on '05 CTE completers and high school graduates

Perkins Performance Measure #3 (continued)

- Data must be entered into TEDS by **January 15.**
- What is reported in TEDS for transition determines whether your district meets Performance Measure #3.

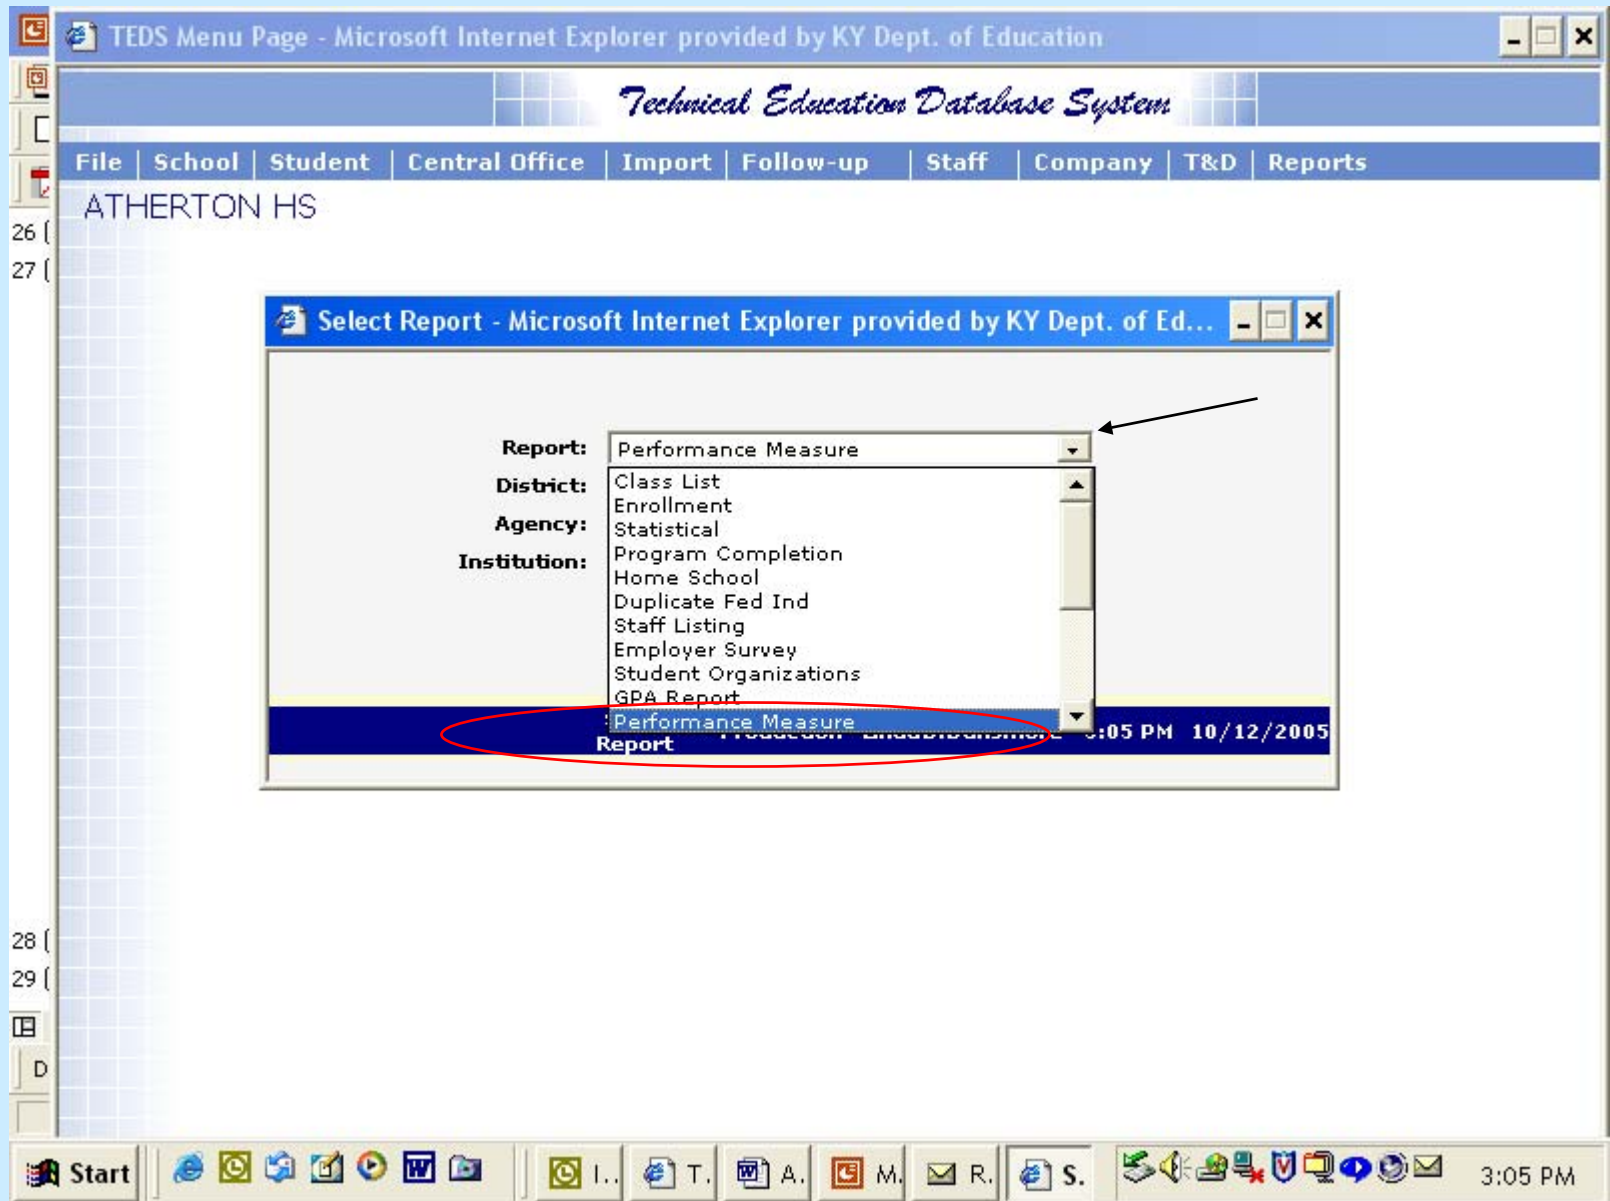

Perkins Performance Measure # 3 (continued)

- If a school has **100%** successful transition for all students that complete high school and graduates includes CTE completers and high school graduates; therefore, CTE completers and high school graduates would have made **100%** successful transition also.
- In order to meet Perkins Performance Measure # 3, the % of completers and high school graduates who make successful transition must be equal to or better than the % of **ALL** students who make successful transition.

Perkins Performance Measure # 4

Nontraditional Enrollment

- Data is coded in TEDS
- List of Nontraditional Occupations for Females
- List of Nontraditional occupations for Males
- List of Gender Neutral Programs
- Attached to an email sent to CTE Coordinators on September 1st
- Recruit students for nontraditional programs
